TOPICS, DEADLINES, REGISTRATION FEE

Dear colleagues!

We will be glad to welcome you at the Second All-Russia conference with international participation Research and development in chemistry and technology of functional materials dedicated to the memory of V.T.Kalinnikov, member of the Russian Academy of Sciences.

The Conference topics will include:

- Outlooks for the development and processing of complex resources in manufacture of functional materials
- Metallurgical and hydrometallurgical processes in production of advanced materials
- Synthesis of functional materials in molten salts
- Research into synthesis, properties and application of functional micro- and nano-structured materials.
- Technology of building materials. Recovery of mineral processing wastes. Economic and environmental aspects of new processes.

Key dates:

Registration – 10.06.2015

Paper submission – 10.09.2015

Information letter № 2 – 15.06.2015

Working languages – Russian and English.

Please, forward your application form and paper by e-mail to makarova@chemy.kolasc.net.ru or maslo_sm@chemy.kolasc.net.ru.

More information at the Conference website: <http://chemy.ksc.ru/conferences/conferences2015>.

Please note that the Organizing Committee reserves the right to decline papers having no relation to the Conference topics.

The registration fee of 1000 RUR will cover the Conference proceedings and information materials, coffee breaks and social events.
